

Hall Green School

An Academy

October 2019

Dear Parent/Carer

KS3 Design and Technology

Your child has now begun his/her KS3 Design and Technology course for 2019 - 2022. For many years parents have contributed towards the cost of materials, enabling students to design and make products of excellent quality using the best possible materials. We hope that you will support the Design and Technology Department, and your child, by offsetting some of the costs incurred with a voluntary **one-off contribution of £7.00** for the three year course.

Payments for this can be made online via ParentPay. In exceptional circumstances, ie if you do not have access to the internet, you can request a barcode from the School Office which will enable you to pay via PayPoint at a local shop convenient to you.

Pupil Premium ensures the school has a limited budget that can support families who require help meeting the cost of resources. Please visit the school website to learn more about the Pupil Premium.

Thank you in anticipation.

Yours sincerely

Mrs N Jassell
Head of Design and Technology
