

Hall Green School An Academy

September 2019

Dear Parent/Carer

School Fund Contribution in Year 7

We have a School Fund which receives income from a variety of sources - sponsorship, fund raising by pupils and parents/friends of the school. We also invite all families to contribute to this at the start of their school life with us.

Our School Fund helps to pay for the cost of things which the education budget does not meet, but which help to support various student activities throughout the year and to make school life more pleasant.

In the past it has helped to pay for a collection of board games that are used during Form Time, activities during the end of Summer Term celebrations, a supply of Leadership badges for Peer Mentor supporting roles and towards caring for the school environment through activities within the School Council. Although we realise that School Fund is a voluntary contribution, it does enable us to provide additional resources to enhance the curriculum and your support is very much appreciated.

If you feel able to make a contribution we request **£20.00** per child as a **one-off payment**, to cover the five years of attendance at Hall Green School. If you feel able to make a larger contribution it would be gratefully received. Contributions can be made via ParentPay, our secure online payment system, using the log-in details previously provided. In exceptional circumstances, ie if you do not have access to the internet, you can request a barcode from the School Office which will enable you to pay by PayPoint at a local shop convenient to you.

Thank you for your continued support - it will benefit your child.

Yours faithfully

Mrs T Dickerson
Finance Administrator

Hall Green School is a company limited by guarantee. Registered in England & Wales. Registered Number 7892732.
