

Hall Green School An Academy

Year 11 Mock Examinations (October 2020)

Dear Parents/Carers,

The timetable and equipment list for the forthcoming Year 11 examinations can be found on the reverse/bottom of the page. Please pass this letter and timetable on to your son/daughter after you have read it. These are very important exams and I know that I can count upon your co-operation in ensuring that they are taken seriously and that thorough preparation and revision is carried out in the weeks before they start.

Teachers will look carefully at the results of these examinations when deciding the level (where appropriate) your son/daughter will be entered for in their final GCSE exams next summer. Therefore, it is vital that your son/daughter prepares thoroughly for these examinations.

Due to the ongoing restrictions and social bubbles, these exams will not be taking place in the hall as they normally would, but they will be taking place during normal lesson time and in classrooms. **They will still be carried out under formal exam conditions.** Pupils who are late may not be admitted to the exam room. Please note there will be no study leave for these exams and some afternoon exams may finish after 3.30pm so pupils may also arrive home later than normal.

Pupils may only have on their desks writing instruments and any items specifically allowed for the examination in question, e.g. a calculator. Please see the equipment list below. Due to new exam regulations, pupils will also be asked to remove any wrist watches they are wearing before entering the exam room.

WARNING - Any pupil found in possession of a mobile phone, smartwatch or any other electronic device in the exam room will be **automatically disqualified** from that exam. There is also further information on the school website about examination regulations set out by the exam boards.

Listed below is the equipment that pupils must bring to each of their exams. Failure to bring the correct basic equipment to your exams will result in penalties being issued.

Standard equipment for every exam	
2	Black biros
1	Eraser
1	HB pencil
1	30cm ruler

Subject Specific Equipment	
D&T	Coloured pencils and Calculator
Maths	Calculator Geometrical instruments
Business Studies, Geography and Science	Calculator

Yours sincerely,

R.Dhillon
Examinations Manager
