- informing the development of recruitment and retention policies
- allowing better financial modelling and planning
- enabling ethnicity and disability monitoring; and
- supporting the work of the School Teachers' Review Body

This personal data includes identifiers such as names and National Insurance numbers and characteristics such as ethnic group, employment contracts and remuneration details, qualifications and absence information.

We will not share information about you with third parties without your consent unless the law allows us to. We are required, by law, to pass on some of this personal data to:

- our local authority

If you want to see a copy of information about you that we hold, please contact:

- Mr D Adams or Mrs P Elliott.

Staff can only be given access to data that does not compromise the corresponding rights of a third party. Staff are not allowed to see personal references without obtaining explicit permission from the individual or organisation that provided it. Interview notes can be accessed if contributing parties are anonymised. If there is any safeguarding-related information in a record, Hall Green School must act according to the KCSE guidance (section 4).

Please be aware that the General Data Protection Regulation (GDPR) was effective as of 25th May 2018, and the key themes of the GDPR were linked to that existing UK Data Protection Act 1998 (DPA). Now in effect, the GDPR supercedes the DPA, and an individual's rights subsequently shifted accordingly. For more information, please visit <http://www.eugdpr.org/>.
