

Head Boy: Hashim M

My name is Hashim. It fills me with immense pleasure and joy to be awarded the role of Head Boy at Hall Green Secondary School. This is my greatest achievement yet. I am proud to be able to represent this remarkable school at such a high level. Hall Green School offers care and education which you will find no place else. I look forward to the year ahead and the positive impact I can make as Head Boy of Hall Green School.

Head Girl: Aminah C

My name is Aminah, I am a year 11 student and proudly Head Girl. I want to be part of improving and representing this school. In the first two months of being Head Girl, I really want to get to introduce myself to my fellow pupils in school and get to know them better, as well as them getting to know me better. I want to make sure that everybody feels they can come to me if they have a problem or issue, or just to talk. I want them to know I am here to help. I hope to be a great Head Girl and help better myself and this school.

Deputy Head Boy: Frederick S-C

I am very grateful for my role as Deputy Head Boy and will carry out the role with the best of my ability. To me, Deputy Head Boy is the beginning of a life and career of leading my peers with their best interest at heart.

I am excited to help improve the school from a student and teacher's perspective.

Deputy Head Girl: Rudaina F

My name is Rudaina and I am the Deputy Head Girl.

I love to paint, write poetry and spend time with family and friends. As this is my last year in school, I will continue to work hard, make memories but most importantly, help everyone in this school and community work together and shape our future.
