

# SEND event for parents & carers – 15<sup>th</sup> September 2021

## All welcome to be involved in influencing the future of SEND in Birmingham

Birmingham City Council and the Parent Carer Forum invite you to an event for SEND parents and carers which will be held on 15<sup>th</sup> September between 10am and 2.30pm. This will be at the [Carrs Lane](#) conference venue in central Birmingham and will look at how we shape the SEND service for families. There will be two identical sessions running from 10am until 12 noon and 12.30pm until 2.30pm. Please follow the link below to register for your preferred meeting time.

This event will be an opportunity for Council officers, Health and Social Care colleagues and the Councillors to meet and consult with Parents and Carers to begin to shape the future and plan the way forward for the SEND services on offer in Birmingham.

We do recognise that some people may not want or be able to meet in person, so we are also going to stream the event live so that everyone can be part of it. Thank you to everyone who took part in the PCF survey which gave us a clear view of how you would like this event to be run. Please see the link below to join the online meeting.

There will be refreshments on the day, but regrettably we are not be able to offer childcare at the event. Colleagues from SEND and Home to School Transport will attend and meet parents and carers individually.

In order to help kick off the conversation in September we would be grateful if you would answer the following question via this survey link:
