Year 11 Mock Examinations (October 2022)

Dear Parents/Carers,

The timetable and equipment list for the forthcoming Year 11 mock examinations can be found on the reverse of this page. These are very important exams and I know that I can count upon your co-operation in ensuring they are taken seriously and that thorough preparation and revision is carried out in the weeks before they begin.

Teachers will look carefully at the results of these examinations when deciding on the tier (where applicable) that your son/daughter will be entered for in their final GCSE exams next summer. Therefore, it is vital that your son/daughter prepares thoroughly for these examinations.

Morning exams – pupils must be in the **dining area for 8.30am at the latest.**

Afternoon exams – pupils should line up outside **room 8 and 9 for 2.10pm at the latest.**

Pupils who are late may not be admitted to the exam hall/room. Please note there will be no study leave for these exams, and that some afternoon exams may run on after 3.15pm, so pupils may also arrive home later than normal.

Items such as bags, coats, pencil tins and glasses cases **must not** be taken into the exam hall/room. Pupils may only have on their desks writing instruments and any items specifically allowed for the examination in question, e.g. a calculator. Please see the equipment list provided on the back page below the timetable. Due to new exam regulations, pupils will also be asked to remove any wrist watch they are wearing before entering the exam hall/room.

WARNING - Any pupil found in possession of a mobile phone, smartwatch or any other unauthorised materials in the exam hall/room will be **automatically disqualified** from that exam. There is also further information on the school website about examination regulations set out by the exam boards. Please leave any valuables at home, as bags and coats must be left outside the hall during exams.

Yours sincerely,

R.Dhillon
Examinations Manager
