**TRUSTEES' REPORT**  
**FOR THE YEAR ENDED 31 AUGUST 2022**

---

The trustees present their annual report together with the financial statements and auditors' report of the charitable company for the year 1 September 2021 to 31 August 2022. The annual report serves the purposes of both a trustees' report and a directors' report under company law.

The academy trust operates an academy for pupils aged 11 to 16 serving a catchment area in Hall Green, Birmingham. It has a pupil capacity of 900 and had a roll of 922 in the school census on 6 October 2022.

**Structure, governance and management**

**a. Constitution**

The academy is a charitable company limited by guarantee and an exempt charity.

The charitable company's Memorandum of Association is the primary governing document of the academy.

The trustees of Hall Green Secondary School are also the directors of the charitable company for the purposes of company law.

The charitable company is known as Hall Green Secondary School.

Details of the trustees who served during the year and to the date these accounts are approved are included in the Reference and administrative details on page 1.

**b. Members' liability**

Each member of the charitable company undertakes to contribute to the assets of the charitable company in the event of it being wound up while they are a member, or within one year after they cease to be a member, such amount as may be required, not exceeding £10, for the debts and liabilities contracted before they ceased to be a member.

**c. Trustees' indemnities**

In accordance with normal commercial practice the academy has purchased insurance to protect trustees and officers from claims arising from negligent acts, errors or omissions occurring whilst on academy business. The insurance provides cover up to £10,000,000 on any one claim.

**Structure, governance and management (continued)**

**d. Method of recruitment and appointment or election of trustees**

Parent trustees are elected by the parents of registered pupils at the academy. A parent trustee must be a parent of a pupil at the academy at the time when she/he is elected.

Community trustees may be appointed by the board of trustees provided that the person who is appointed as a community trustee is:

- a person who lives or works in the community served by the academy; or
- a person who, in the opinion of the board of trustees, is committed to the government and success of the academy.

Staff trustees are elected by employees of the academy trust.

The above selection procedures are organised around parent ballots for all parental trustees and staff ballots for staff representatives on the Governing Body.

**e. Policies adopted for the induction and training of trustees**

The board of trustees has a service level agreement with School and Governor Support, a traded service provided by Birmingham Local Education Authority to provide training, advice and support to the board of trustees.

Newly elected trustees attend induction training for new trustees, and in addition select specific training provided by School and Governor Support in accordance with their needs.

One of the trustees is appointed as link trustee, attends relevant training and provides information to trustees following such training. The link trustee also manages the training of the Governing Body as a whole to ensure that there are sufficient skills and expertise within the Governing Body to hold the school to account.

**f. Organisational structure**

The Governing Body has established committees and appoints trustees to serve on each of the committees annually. The committees for the period of the report were:

- Finance & General Purposes including the Audit and Risk Committee and the Pay Committee
- Pastoral & Curriculum

The written terms of reference of the committees include the monitoring of the preparation and management of the academy's budget and implementation of the academy's financial management policies, including risk assessment.

The Governing Body also appoints an External Auditor and this role has been fully implemented in accordance with the academy trust's financial procedures.

Decisions relating to whole school matters are reserved for the board of trustees. Those responsibilities delegated to management include whole school spending within certain limits according to the Scheme of Delegation.

**g. Arrangements for setting pay and remuneration of key management personnel**

The Governing Body agrees the Academy Pay Policy every year using the annual School Teachers' Pay and Conditions Document (STPCD) issued by the Department for Education. The Senior Leadership Team pay is calculated using the guidance in STPCD based on the size of the school. The Governing Body also agrees the school Teacher and Support Staff Appraisal Policies which describe how pay increments are agreed for the Senior Leadership Team. Trustees that are not employed by the school do not receive payment.

**Objectives and activities (continued)**

**b. Objectives, strategies and activities**

Our aims are that:

- Every pupil makes outstanding progress.
- Every pupil leaves with personal belief in and aspiration for their own successful future, and as a result takes responsibility for their learning.
- Every pupil has the skills and attitudes to make a positive contribution to society as an active and engaged citizen.
- Every pupil shows care and respect for others.
- Every pupil values and celebrates diversity.
- Every pupil is aware of and sympathetic to the needs of others, particularly those less fortunate than themselves.
- We call this our Journey to Outstanding.

The strategies adopted for achieving these objectives are:

- High quality, bespoke CPD for all staff
- Targeted task groups providing CPD for teaching staff
- Timetabled quality assurance programme for the year
- Planned infrastructure programme to develop the school site
- Targeted support for individuals and groups of pupils and staff.

Significant activities linked to the trust's charitable activities, and how they further its aims, have been:

- Continuing to implement high quality provision including for those isolating where appropriate.
- Implementing the additional responsibilities for schools due to the pandemic (COVID testing, vaccinations etc.).
- Implementing additional intervention programmes to support pupils who have been disadvantaged due to the pandemic.
- Providing additional mental and wellbeing support for all pupils.
- Ensuring the successful reintroduction of public exams following the pandemic.
- Development of the layout of offices and the pastoral area to improve efficiency and effectiveness.
- Increase the attendance rates of pupils.
- Development of our IT systems to improve the efficiency and effectiveness.
- Ensuring school budget is on track through an unpredictable year.

**c. Public benefit**

In setting our objectives and planning our activities, the trustees have carefully considered the Charity Commission's general guidance on public benefit published by the Charity Commission on their website at [www.gov.uk/topic/running-charity/managing-charity](http://www.gov.uk/topic/running-charity/managing-charity) in exercising their powers or duties.

Hall Green Secondary School is an equal opportunity employer, and strives to give full and fair consideration to all applicants for employment, training and promotions, irrespective of disability, gender, race, colour, age or sexual orientation.

**Strategic report**

**Achievements and performance**

**a. Key performance indicators**

The school continues to be oversubscribed with 922 on roll and a waiting list for each year group.

The school was judged to be 'good' in the latest Ofsted inspection in October 2019.

Attendance rates throughout 2021/22 tracked above the national averages.

**b. Financial metrics**

- Direct costs as a percentage of total costs were 70.4% (2021 : 71.2%)
- Support costs as a percentage of total costs were 29.6% (2021 : 28.8%)
- Total payroll costs as a percentage of recurring income were 88.4% (2021 : 84.9%)

**c. Going concern**

After making appropriate enquiries, the board of trustees has a reasonable expectation that the Academy Trust has adequate resources to continue in operational existence for the foreseeable future. For this reason, it continues to adopt the going concern basis in preparing the financial statements. Further details regarding the adoption of the going concern basis can be found in the Statement of Accounting Policies.

**Financial review**

The financial results of Hall Green Secondary School are detailed in the following pages. It is considered that the finances are sound and well established. The principal financial management policies adopted and requirements are laid down by the Academy Trust Handbook.

The principal funding source is grant income from the ESFA. All expenditure of this grant income is planned to fulfil the objectives and strategies of the Academy.

During the year ended 31 August 2022 total resources expended were £6,824,321 and the deficit of expenditure over income was £414,757. which included depreciation of £197,139.

---

**a. Reserves policy**

The trustees continually monitor the reserves of the charitable company. This process encompasses the nature of income and expenditure streams and the need to match commitments with income and nature of reserves.

It is the board of trustees' general policy to continue to build reserves which can be used for future educational purposes. The aim is to maintain a contingency fund of at least 10% of the total income of the school. Any additional surplus is directed towards the infrastructure and maintenance schedule for the school or significant time-limited initiatives to support the school's development plan.

The academy had total funds at 31 August 2022 of £7,819,784 which included £1,196,221 restricted funds not available for general purposes of the academy trust and £8,136,563 which can only be realised by the disposal of tangible fixed assets. The balance on restricted general funds (excluding pension reserve) plus the balance on unrestricted funds was a surplus of £9,332,784.

In addition, the deficit on the restricted pension fund of £1,513,000 arises from an actuarial deficit on the local government pension scheme which will be dealt with as advised by the actuary. This will result in a cash flow effect for the academy trust in the form of an increase in employers' pension contributions over a period of years.

Restricted general reserves at 31 August 2022 represent 2.3 months of income.

**b. Investment policy**

Any surplus funds are invested with Lloyds Bank in a deposit account.

These investments are carried out in accordance with the powers vested in the board of trustees.

**c. Principal risks and uncertainties**

The trustees have considered the major risks and uncertainties facing the charitable company which include changes in legislation and regulations and cash flow management and have put in place procedures to deal with these matters.

Attention has also been focused on non-financial risks arising from fire, health and safety. These risks are managed by ensuring accreditation is up to date, having robust policies in place, and regular awareness training for staff working in these operational areas. As part of the risk management of the school, the board of trustees has also commissioned a visit from external consultants to audit the health and safety provision of the school and provide advice on managing future risks.

The pandemic brought additional risks due to funding uncertainties and progress against school objectives linked to the following:

- Ongoing testing both on site and off
- Re-deployment of staff during the testing programmes
- Implementation of additional cleaning
- Purchase of safety equipment
- Higher fuel costs due to the ventilation of rooms needing the heating to be on for longer than normal
- Slower delivery times and difficulties in securing services and resources
- Staff absence linked to the virus
- Pupil absence linked to the virus including illness, isolations due to bubbles, and quarantining after travelling abroad to visit family
- Additional workload to implement post pandemic recovery programmes.

### Fundraising

The academy trust does not use any external fundraisers.

### Plans for future periods

The school's aims are set out in the School Development Plan and on the school website. They are:

- Every pupil makes outstanding progress.
- Every pupil leaves with personal belief in and aspiration for their own successful future, and as a result takes responsibility for their learning.
- Every pupil has the skills and attitudes to make a positive contribution to society as an active and engaged citizen.
- Every pupil shows care and respect for others.
- Every pupil values and celebrates diversity.
- Every pupil is aware of and sympathetic to the needs of others, particularly those less fortunate than themselves.

The school continues working on the key issues in the development plan on the school journey to outstanding. The development plan is drawn up in consultation with governors in the Pastoral & Curriculum Committee meeting and approved in full governors meeting.

The priorities for 2022-2023 are:

1. Develop a wide variety of high quality, inclusive academic, personal, and social opportunities to enable all pupils to achieve their full potential, developing aspiration in their choices when they leave school.
2. Ensure those with barriers to success, whether due to internal or external factors, are provided with the support needed to be successful.
3. Develop a Hall Green identity and sense of belonging for all members of our community through understanding and celebrating our differences.
4. Develop a culture focused upon positive pupil and staff wellbeing to enable all to be successful and happy.

### Disclosure of information to auditors

Insofar as the trustees are aware:

- there is no relevant audit information of which the charitable company's auditors are unaware, and
- that trustees have taken all steps that they ought to have taken to make themselves aware of any relevant audit information and to establish that the auditors are aware of that information.

The Trustees' report, incorporating a strategic report, was approved by order of the board of trustees, as the company directors, on 7 December 2022 and signed on its behalf by:

**GOVERNANCE STATEMENT**

---

**Scope of responsibility**

As trustees, we acknowledge we have overall responsibility for ensuring that Hall Green Secondary School has an effective and appropriate system of control, financial and otherwise. However, such a system is designed to manage rather than eliminate the risk of failure to achieve business objectives, and can provide only reasonable and not absolute assurance against material misstatement or loss.

As trustees, we have reviewed and taken account of the guidance in DfE's Governance Handbook and competency framework for governance.

The board of trustees has delegated the day-to-day responsibility to the Headteacher, as accounting officer, for ensuring financial controls conform with the requirements of both propriety and good financial management and in accordance with the requirements and responsibilities assigned to it in the funding agreement between Hall Green Secondary School and the Secretary of State for Education. They are also responsible for reporting to the board of trustees any material weaknesses or breakdowns in internal control.

**GOVERNANCE STATEMENT (CONTINUED)**

---

**Governance**

The information on governance included here supplements that described in the Trustees' report and in the Statement of trustees' responsibilities. The board of trustees has formally met 8 times during the year.

Attendance during the year at meetings of the board of trustees was as follows:

Trustee	Meetings attended	Out of a possible
Miss Karen Slater, Head Teacher and Accounting Officer	8	8
Mrs Aalia Akram	3	8
Mr Khuram Chohan	2	4
Mrs Fiona Dennis-Stephens	8	8
Mr Robert Harvey	7	8
Mr Mahboob Hussain	6	8
Mr Satnam Nazran	7	8
Mr Greg Scott-Cook, Chair	8	8
Mrs Helen Scott-Cook	8	8
Mrs Manjit Shellis	7	8
Mr Andrew Sparkes	4	4
Mrs Shahin Vohra	4	8
Mrs Zubina Ziebeck	8	8

A skills audit was undertaken during the year which found that the governing body had a good range of skills and expertise to support its work. Recruitment continued to focus on areas that were considered to be areas for development, namely governors with school leadership experience.

Subsequent to this the following actions were taken:

- Discussions about the future direction of the academy
- An increase in the number of governors accessing training courses
- Recruitment drive to ensure the governing body continues to have a good range of skills and expertise.

The trust intends to conduct its next self-evaluation/external review in 2023.

**Conflicts of interest**

The board of trustees maintains an up to date Register of Interests. An annual Business Interest declaration is completed in September by each trustee. It is an agenda item for the clerk to ask at the start of the meeting if there have been any changes in the pecuniary interests. Any changes are recorded in the minutes of the meeting. If a new trustee joins during the year, the form is completed at their first meeting. If a trustee has a pecuniary interest the clerk ensures that the trustee leaves the meeting if a discussion takes place which could cause a conflict of interest.

**Governance review**

A review of governance was undertaken during the year which found that the board would benefit from moving towards the Government's ambition of being part of a multi-academy trust.

Subsequent to this the following actions were taken:

- Exploration of the options open to the school in becoming, developing, or joining a multi-academy trust.
- Recruitment of a trustee with experience of school leadership
- The trust intends to conduct its next self-evaluation/external review in 2023.

**Governance (continued)**

The Finance and General Purposes Committee is a sub-committee of the main board of trustees. Its purpose is to:

- assist the decision making of the governing body, by enabling more detailed consideration to be given to the best means of fulfilling the governing body's responsibility to ensure sound management of the academy's finances and resources, including proper planning, monitoring and probity.
- make appropriate comments and recommendations on such matters to the governing body on a regular basis.

The committee met 6 times during the year. Attendance during the year at meetings was as follows:

Trustee	Meetings attended	Out of a possible
Miss Karen Slater (Headteacher and Accounting Officer)	5	6
Mr Khuram Chohan (community trustee)	3	4
Mr Robert Harvey (community trustee)	6	6
Mr Greg Scott-Cook (parent trustee)	6	6
Mrs Manjit Shellis (community trustee)	6	6
Mr Mahboob Hussian (community trustee)	3	5

The Audit Committee is also a sub-committee of the main board of trustees. Its purpose is to agree a programme of works to prioritise its assurance on financial controls and risks and report to the governing body in accordance with the Academy Trust Handbook as published by the ESFA.

Attendance during the year at meetings was as follows:

Trustee	Meetings attended	Out of a possible
Miss Karen Slater (Headteacher and Accounting Officer)	3	4
Mr Khuram Chohan (community trustee, resigned 10/3/22)	2	3

**Review of value for money**

As accounting officer, the Headteacher has responsibility for ensuring that the academy delivers good value in the use of public resources. The accounting officer understands that value for money refers to the educational and wider societal outcomes achieved in return for the taxpayer resources received.

The accounting officer considers how the academy's use of its resources has provided good value for money during each academic year, and reports to the board of trustees where value for money can be improved, including the use of benchmarking data where appropriate. The accounting officer for the academy has delivered improved value for money during the year by :

- Constant reviewing both the quality and quantity of curriculum resource, such as training, teaching resources, and staff roles.
- The school has employed additional temporary staff to ensure the post pandemic plan is successful.
- Exit interviews have been introduced and are focused upon ways in which the school can improve.
- The school engages with other educational providers/services to enhance provision e.g. Birmingham Education Partnership, South Area Network, King Edwards Consortium, Birmingham Special Forum.
- Implementation of the visitor signing in system and improved gate security to further enhance site security
- Upgrade to the IT infrastructure to ensure effectiveness and improve cyber security.
- Summer School was run as an opportunity for the new Year 7 pupils to aid transition.
- A restructure of school offices was undertaken to improve working efficiencies and effectiveness.

**The purpose of the system of internal control**

The system of internal control is designed to manage risk to a reasonable level rather than to eliminate all risk of failure to achieve policies, aims and objectives. It can, therefore, only provide reasonable and not absolute assurance of effectiveness. The system of internal control is based on an on-going process designed to identify and prioritise the risks to the achievement of academy policies, aims and objectives, to evaluate the likelihood of those risks being realised and the impact should they be realised, and to manage them efficiently, effectively and economically. The system of internal control has been in place in Hall Green Secondary School for the year 1 September 2021 to 31 August 2022 and up to the date of approval of the annual report and financial statements.

**Capacity to handle risk**

The board of trustees has reviewed the key risks to which the academy is exposed together with the operating, financial and compliance controls that have been implemented to mitigate those risks. The board of trustees is of the view that there is a formal ongoing process for identifying, evaluating and managing the academy's significant risks that has been in place for the year 1 September 2021 to 31 August 2022 and up to the date of approval of the annual report and financial statements. This process is regularly reviewed by the board of trustees.

**The risk and control framework**

The academy's system of internal financial control is based on a framework of regular management information and administrative procedures including the segregation of duties and a system of delegation and accountability. In particular, it includes:

- regular reviews by the finance and general purposes committee of reports which indicate financial performance against the forecasts and of major purchase plans, capital works and expenditure programmes;
- setting targets to measure other performance;
- clearly defined purchasing (asset purchase or capital investment) guidelines;

GOVERNANCE STATEMENT (CONTINUED)

---

**The risk and control framework (continued)**

- identification and management of risks;
- comprehensive budgeting and monitoring systems with an annual budget and periodic financial reports which are reviewed and agreed by the board of trustees;  
regular reviews by the finance and general purposes committee of reports which indicate financial performance against the forecasts and of major purchase plans, capital works and expenditure programmes;
- setting targets to measure financial and other performance;
- clearly defined purchasing (asset purchase or capital investment) guidelines;
- identification and management of risks.

The board of trustees has decided to buy-in an internal audit service from Services 4 Schools.

The reviewer's role includes giving advice on financial and other matters and performing a range of checks on the academy's financial systems. In particular, the checks carried out in the current period include :

April 2022 -

- Purchases (including debit card purchases)
- Income
- Contracts
- ESFA GAG funding
- Capital Income
- Payroll
- Accounting System
- Reporting

June 2022 -

- Data Protection Compliance
- Management of Compliance
- Management of Personal Data
- Special Categories Data
- Policy and Procedure
- IT Infrastructure and Security
- Training and advice
- Data Sharing/Data Transfer
- Breach Management
- Managing Information Requests

On at least a half termly basis, the Chief Financial Officer reports to the board of trustees, through the finance and general purposes committee on the operation of the systems of control and on the discharge of the board of trustees' financial responsibilities.

The internal reviewer has delivered their schedule of work as planned. There were no material control issues arising as a result of the internal reviewer's work.

**Review of effectiveness**

As accounting officer, Miss Karen Slater (the Headteacher) has responsibility for reviewing the effectiveness of the system of internal control. During the year in question the review has been informed by:

- the work of the executive managers within the academy who have responsibility for the development and maintenance of the internal control framework.
- the work of the external auditors;

The accounting officer has been advised of the implications of the result of their review of the system of internal control by the finance committee and a plan to address weaknesses and ensure continuous improvement of the system is in place.

STATEMENT ON REGULARITY, PROPRIETY AND COMPLIANCE

---

As accounting officer of Hall Green Secondary School I have considered my responsibility to notify the academy board of trustees and the Education and Skills Funding Agency (ESFA) of material irregularity, impropriety and non-compliance with terms and conditions of all funding received by the academy, under the funding agreement in place between the academy and the Secretary of State for Education. As part of my consideration I have had due regard to the requirements of the Academy Trust Handbook 2021.

I confirm that I and the academy board of trustees are able to identify any material irregular or improper use of all funds by the academy, or material non-compliance with the terms and conditions of funding under the academy's funding agreement and the Academy Trust Handbook 2021.

I confirm that no instances of material irregularity, impropriety or funding non-compliance have been discovered to date. If any instances are identified after the date of this statement, these will be notified to the board of trustees and ESFA.

STATEMENT OF TRUSTEES' RESPONSIBILITIES  
FOR THE YEAR ENDED 31 AUGUST 2022

---

The trustees (who are also the directors of the charitable company for the purposes of company law) are responsible for preparing the Trustees' report and the financial statements in accordance with the Academies Accounts Direction published by the Education and Skills Funding Agency, United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) and applicable law and regulations.

Company law requires the trustees to prepare financial statements for each financial year. Under company law, the trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the charitable company and of its incoming resources and application of resources, including its income and expenditure, for that period. In preparing these financial statements, the trustees are required to:

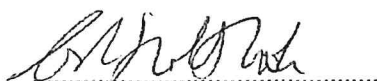

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles of the Charities SORP 2019 and the Academies Accounts Direction 2021 to 2022;
- make judgements and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charitable company's transactions and disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The trustees are responsible for ensuring that in its conduct and operation the charitable company applies financial and other controls, which conform with the requirements both of propriety and of good financial management. They are also responsible for ensuring grants received from ESFA/DfE have been applied for the purposes intended.

The trustees are responsible for the maintenance and integrity of the corporate and financial information included on the charitable company's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

**INDEPENDENT AUDITORS' REPORT ON THE FINANCIAL STATEMENTS TO THE MEMBERS OF HALL GREEN SECONDARY SCHOOL**

---

**Opinion**

We have audited the financial statements of Hall Green Secondary School (the 'academy') for the year ended 31 August 2022 which comprise the Statement of financial activities, the Balance sheet, the Statement of cash flows and the related notes, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law, United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland', the Charities SORP 2019 and the Academies Accounts Direction 2021 to 2022 issued by the Education and Skills Funding Agency.

In our opinion the financial statements:

- give a true and fair view of the state of the academy's affairs as at 31 August 2022 and of its incoming resources and application of resources, including its income and expenditure for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006, the Charities SORP 2019 and the Academies Accounts Direction 2021 to 2022 issued by the Education and Skills Funding Agency.

**Basis for opinion**

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditors' responsibilities for the audit of the financial statements section of our report. We are independent of the academy in accordance with the ethical requirements that are relevant to our audit of the financial statements in the United Kingdom, including the Financial Reporting Council's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

**Conclusions relating to going concern**

In auditing the financial statements, we have concluded that the trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the academy's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the trustees with respect to going concern are described in the relevant sections of this report.

**Other information**

The other information comprises the information included in the Annual report other than the financial statements and our Auditors' report thereon. The trustees are responsible for the other information contained within the Annual report. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon. Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit, or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

**Opinion on other matters prescribed by the Companies Act 2006**

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Trustees' Report including the Strategic Report for the financial year for which the financial statements are prepared is consistent with the financial statements.
- the Trustees' Report and the Strategic Report have been prepared in accordance with applicable legal requirements.

**Matters on which we are required to report by exception**

In the light of our knowledge and understanding of the academy and its environment obtained in the course of the audit, we have not identified material misstatements in the Trustees' Report including the Strategic Report.

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of trustees' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

**Responsibilities of trustees**

As explained more fully in the Statement of trustees' responsibilities, the trustees (who are also the directors of the academy for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the academy's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the academy or to cease operations, or have no realistic alternative but to do so.

**Auditors' responsibilities for the audit of the financial statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an Auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

We reviewed the academy's control and risk management procedures and planned our work based on our assessment of those controls and procedures;

Because of the inherent limitations of an audit, there is a risk that we will not detect all irregularities, including those leading to a material misstatement in the financial statements or non-compliance with regulation. This risk increases the more that compliance with a law or regulation is removed from the events and transactions reflected in the financial statements, as we will be less likely to become aware of instances of non-compliance. The risk is also greater regarding irregularities occurring due to fraud rather than error, as fraud involves intentional concealment, forgery, collusion, omission or misrepresentation.

As part of an audit in accordance with ISAs (UK), we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion of the effectiveness of the academy's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the trustees.
- Conclude on the appropriateness of the trustees' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the academy's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our Auditors' report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our Auditors' report. However, future events or conditions may cause the academy to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

**INDEPENDENT REPORTING ACCOUNTANT'S ASSURANCE REPORT ON REGULARITY TO HALL GREEN SECONDARY SCHOOL AND THE EDUCATION AND SKILLS FUNDING AGENCY**

---

In accordance with the terms of our engagement letter dated 22 March 2021 and further to the requirements of the Education and Skills Funding Agency (ESFA) as included in the Academies Accounts Direction 2021 to 2022, we have carried out an engagement to obtain limited assurance about whether the expenditure disbursed and income received by Hall Green Secondary School during the year 1 September 2021 to 31 August 2022 have been applied to the purposes identified by Parliament and the financial transactions conform to the authorities which govern them.

This report is made solely to Hall Green Secondary School and ESFA in accordance with the terms of our engagement letter. Our work has been undertaken so that we might state to Hall Green Secondary School and ESFA those matters we are required to state in a report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than Hall Green Secondary School and ESFA, for our work, for this report, or for the conclusion we have formed.

**Respective responsibilities of Hall Green Secondary School's accounting officer and the reporting accountant**

The accounting officer is responsible, under the requirements of Hall Green Secondary School's funding agreement with the Secretary of State for Education dated 1 February 2012 and the Academy Trust Handbook, extant from 1 September 2021, for ensuring that expenditure disbursed and income received is applied for the purposes intended by Parliament and the financial transactions conform to the authorities which govern them.

Our responsibilities for this engagement are established in the United Kingdom by our profession's ethical guidance and are to obtain limited assurance and report in accordance with our engagement letter and the requirements of the Academies Accounts Direction 2021 to 2022. We report to you whether anything has come to our attention in carrying out our work which suggests that in all material respects, expenditure disbursed and income received during the year 1 September 2021 to 31 August 2022 have not been applied to purposes intended by Parliament or that the financial transactions do not conform to the authorities which govern them.

**Approach**

We conducted our engagement in accordance with the Framework and Guide for External Auditors and Reporting Accountant of Academy Trusts issued by ESFA. We performed a limited assurance engagement as defined in our engagement letter.

The objective of a limited assurance engagement is to perform such procedures as to obtain information and explanations in order to provide us with sufficient appropriate evidence to express a negative conclusion on regularity.

A limited assurance engagement is more limited in scope than a reasonable assurance engagement and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in a reasonable assurance engagement. Accordingly, we do not express a positive opinion.

Our engagement includes examination, on a test basis, of evidence relevant to the regularity and propriety of the academy's income and expenditure.

The work undertaken to draw our conclusion includes :

- Consideration of the applicable legislation and the Academy Trust's funding agreement.
- Review and evaluation of the Academy Trust's system of internal controls.
- Examination and assessment of the Accounting Officer's statement on Regularity, Propriety and Compliance
- Examination, on a test basis, of third party evidence supporting income and expenditure
- Review of exceptional and unusual items

**Conclusion**

In the course of our work, nothing has come to our attention which suggest in all material respects the expenditure disbursed and income received during the year 1 September 2021 to 31 August 2022 has not been applied to purposes intended by Parliament and the financial transactions do not conform to the authorities which govern them.

**NOTES TO THE FINANCIAL STATEMENTS**  
**FOR THE YEAR ENDED 31 AUGUST 2022**

---

**1. Accounting policies**

A summary of the principal accounting policies adopted (which have been applied consistently, except where noted), judgements and key sources of estimation uncertainty, is set out below.

**1.1 Basis of preparation of financial statements**

The financial statements of the academy, which is a public benefit entity under FRS 102, have been prepared under the historic cost convention in accordance with the Financial Reporting Standard Applicable in the UK and Republic of Ireland (FRS 102), the Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP (FRS 102)), the Academies Accounts Direction 2021 to 2022 issued by ESFA, the Charities Act 2011 and the Companies Act 2006.

Hall Green Secondary School meets the definition of a public benefit entity under FRS 102.

**1.2 Going concern**

The trustees assess whether the use of going concern is appropriate i.e. whether there are any material uncertainties related to events or conditions that may cast significant doubt on the ability of the academy to continue as a going concern. The trustees make this assessment in respect of a period of at least one year from the date of authorisation for issue of the financial statements and have concluded that the academy has adequate resources to continue in operational existence for the foreseeable future and there are no material uncertainties about the academy's ability to continue as a going concern, thus they continue to adopt the going concern basis of accounting in preparing the financial statements.

**HALL GREEN SECONDARY SCHOOL**  
**(A company limited by guarantee)**

---

**NOTES TO THE FINANCIAL STATEMENTS**  
**FOR THE YEAR ENDED 31 AUGUST 2022**

---

**1. Accounting policies (continued)**

**1.3 Income**

All incoming resources are recognised when the academy has entitlement to the funds, the receipt is probable and the amount can be measured reliably.

• **Grants**

Grants are included in the Statement of financial activities on a receivable basis. The balance of income received for specific purposes but not expended during the period is shown in the relevant funds on the Balance sheet. Where income is received in advance of meeting any performance-related conditions there is not unconditional entitlement to the income and its recognition is deferred and included in creditors as deferred income until the performance-related conditions are met. Where entitlement occurs before income is received, the income is accrued.

General Annual Grant is recognised in full in the Statement of financial activities in the year for which it is receivable and any abatement in respect of the year is deducted from income and recognised as a liability.

Capital grants are recognised in full when there is an unconditional entitlement to the grant. Unspent amounts of capital grants are reflected in the Balance sheet in the restricted fixed asset fund. Capital grants are recognised when there is entitlement and are not deferred over the life of the asset on which they are expended.

• **Donations**

Donations are recognised on a receivable basis (where there are no performance-related conditions) where the receipt is probable and the amount can be reliably measured.

• **Other income**

Other income, including the hire of facilities, is recognised in the year it is receivable and to the extent the academy has provided the goods or services.

• **Donated goods, facilities and services**

Goods donated for resale are included at fair value, being the expected proceeds from sale less the expected costs of sale. If it is practical to assess the fair value at receipt, it is recognised in 'Stocks' and 'Income from Other Trading Activities'. Upon sale, the value of the stock is charged against 'Income from Other Trading Activities' and the proceeds are recognised as 'Income from Other Trading Activities'. Where it is impractical to fair value the items due to the volume of low value items they are not recognised in the financial statements until they are sold. This income is recognised within 'Income from Other Trading Activities'.

• **Donated fixed assets (excluding transfers on conversion or into the academy)**

Where the donated good is a fixed asset it is measured at fair value, unless it is impractical to measure this reliably, in which case the cost of the item to the donor should be used. The gain is recognised as 'Income from Donations and Capital Grants' and a corresponding amount is included in the appropriate fixed asset category and depreciated over the useful economic life in accordance with the academy's accounting policies.

**HALL GREEN SECONDARY SCHOOL**  
**(A company limited by guarantee)**

---

**NOTES TO THE FINANCIAL STATEMENTS**  
**FOR THE YEAR ENDED 31 AUGUST 2022**

---

**1. Accounting policies (continued)**

**1.4 Expenditure**

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Central staff costs are allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use.

- **Charitable activities**

These are costs incurred on the academy's educational operations, including support costs and costs relating to the governance of the academy apportioned to charitable activities.

All resources expended are inclusive of irrecoverable VAT.

**1.5 Tangible fixed assets**

Assets costing £1,000 or more are capitalised as tangible fixed assets and are carried at cost, net of depreciation and any provision for impairment.

Where tangible fixed assets have been acquired with the aid of specific grants, either from the government or from the private sector, they are included in the Balance sheet at cost and depreciated over their expected useful economic life. Where there are specific conditions attached to the funding requiring the continued use of the asset, the related grants are credited to a restricted fixed asset fund in the Statement of financial activities and carried forward in the Balance sheet. Depreciation on the relevant assets is charged directly to the restricted fixed asset fund in the Statement of financial activities. Where tangible fixed assets have been acquired with unrestricted funds, depreciation on such assets is charged to the unrestricted fund.

Depreciation is provided on all tangible fixed assets other than freehold land and assets under construction, at rates calculated to write off the cost of each asset over its expected useful life, as follows:

Depreciation is provided on the following basis:

Long-term leasehold property	-	2%	on a straight line basis
Furniture and equipment	-	33%	on a reducing balance basis
Computer equipment	-	33%	on a straight line basis
Motor vehicles	-	33%	on a reducing balance basis

Assets in the course of construction are included at cost. Depreciation on these assets is not charged until they are brought into use and reclassified to freehold or leasehold land and buildings.

A review for impairment of a fixed asset is carried out if events or changes in circumstances indicate that the carrying value of any fixed asset may not be recoverable. Shortfalls between the carrying value of fixed assets and their recoverable amounts are recognised as impairments. Impairment losses are recognised in the Statement of financial activities.

---

**NOTES TO THE FINANCIAL STATEMENTS**  
**FOR THE YEAR ENDED 31 AUGUST 2022**

---

**1. Accounting policies (continued)**

**1.6 Debtors**

Trade and other debtors are recognised at the settlement amount after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

**1.7 Cash at bank and in hand**

Cash at bank and in hand includes cash and short-term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

**1.8 Liabilities**

Liabilities are recognised when there is an obligation at the Balance sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably. Liabilities are recognised at the amount that the academy anticipates it will pay to settle the debt or the amount it has received as advanced payments for the goods or services it must provide.

**1.9 Financial instruments**

The academy only holds basic financial instruments as defined in FRS 102. The financial assets and financial liabilities of the academy and their measurement bases are as follows:

Financial assets - trade and other debtors are basic financial instruments and are debt instruments measured at amortised cost as detailed in note 13. Prepayments are not financial instruments.

Cash at bank is classified as a basic financial instrument and is measured at face value.

Financial liabilities - trade creditors, accruals and other creditors are financial instruments, and are measured at amortised cost as detailed in note 14. Taxation and social security are not included in the financial instruments disclosure definition. Deferred income is not deemed to be a financial liability, as the cash settlement has already taken place and there is an obligation to deliver services rather than cash or another financial instrument.

**1.10 Operating leases**

Rentals paid under operating leases are charged to the Statement of financial activities on a straight line basis over the lease term.

---

**HALL GREEN SECONDARY SCHOOL**  
**(A company limited by guarantee)**

---

**NOTES TO THE FINANCIAL STATEMENTS**  
**FOR THE YEAR ENDED 31 AUGUST 2022**

---

**1. Accounting policies (continued)**

**1.11 Pensions**

Retirement benefits to employees of the academy are provided by the Teachers' Pension Scheme ("TPS") and the Local Government Pension Scheme ("LGPS"). These are defined benefit schemes.

The TPS is an unfunded scheme and contributions are calculated so as to spread the cost of pensions over employees' working lives with the academy in such a way that the pension cost is a substantially level percentage of current and future pensionable payroll. The contributions are determined by the Government Actuary on the basis of quadrennial valuations using a prospective unit credit method. TPS is an unfunded multi-employer scheme with no underlying assets to assign between employers. Consequently, the TPS is treated as a defined contribution scheme for accounting purposes and the contributions recognised in the period to which they relate.

The LGPS is a funded multi-employer scheme and the assets are held separately from those of the academy in separate trustee administered funds. Pension scheme assets are measured at fair value and liabilities are measured on an actuarial basis using the projected unit credit method and discounted at a rate equivalent to the current rate of return on a high quality corporate bond of equivalent term and currency to the liabilities. The actuarial valuations are obtained at least triennially and are updated at each Balance sheet date. The amounts charged to operating surplus are the current service costs and the costs of scheme introductions, benefit changes, settlements and curtailments. They are included as part of staff costs as incurred. Net interest on the net defined benefit liability/asset is also recognised in the Statement of financial activities and comprises the interest cost on the defined benefit obligation and interest income on the scheme assets, calculated by multiplying the fair value of the scheme assets at the beginning of the period by the rate used to discount the benefit obligations. The difference between the interest income on the scheme assets and the actual return on the scheme assets is recognised in other recognised gains and losses.

Actuarial gains and losses are recognised immediately in other recognised gains and losses.

**1.12 Fund accounting**

Unrestricted income funds represent those resources which may be used towards meeting any of the charitable objects of the academy at the discretion of the trustees.

Restricted fixed asset funds are resources which are to be applied to specific capital purposes imposed by the funders where the asset acquired or created is held for a specific purpose.

Restricted general funds comprise all other restricted funds received with restrictions imposed by the funder/donor and include grants from the Department for Education Group.

Investment income, gains and losses are allocated to the appropriate fund.

**2. Critical accounting estimates and areas of judgement**

Estimates and judgements are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

Critical accounting estimates and assumptions:

The academy makes estimates and assumptions concerning the future. The resulting accounting estimates and assumptions will, by definition, seldom equal the related actual results. The estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year are discussed below.

The present value of the Local Government Pension Scheme defined benefit liability depends on a number of factors that are determined on an actuarial basis using a variety of assumptions. The assumptions used in determining the net cost or income for pensions include the discount rate. Any changes in these assumptions, which are disclosed in note 23, will impact the carrying amount of the pension liability. Furthermore a roll forward approach which projects results from the latest full actuarial valuation performed at 31 March 2019 has been used by the actuary in valuing the pensions liability at 31 August 2022. Any differences between the figures derived from the roll forward approach and a full actuarial valuation would impact on the carrying amount of the pension liability.

**23. Pension commitments**

The academy's employees belong to two principal pension schemes: the Teachers' Pension Scheme England and Wales (TPS) for academic and related staff; and the Local Government Pension Scheme (LGPS) for non-teaching staff, which is managed by West Midlands Pension Fund. Both are multi-employer defined benefit schemes.

The latest actuarial valuation of the TPS related to the period ended 31 March 2016 and of the LGPS 31 March 2019.

There were no outstanding or prepaid contributions at either the beginning or the end of the financial year.

**Teachers' Pension Scheme**

The Teachers' Pension Scheme (TPS) is a statutory, contributory, defined benefit scheme, governed by the Teachers' Pension Scheme Regulations 2014. Membership is automatic for full-time teachers in academies. All teachers have the option to opt-out of the TPS following enrolment.

The TPS is an unfunded scheme to which both the member and employer makes contributions, as a percentage of salary - these contributions are credited to the Exchequer. Retirement and other pension benefits are paid by public funds provided by Parliament.

**Valuation of the Teachers' Pension Scheme**

The Government Actuary, using normal actuarial principles, conducts a formal actuarial review of the TPS in accordance with the Public Service Pensions (Valuations and Employer Cost Cap) Directions 2014 published by HM Treasury every 4 years. The aim of the review is to specify the level of future contributions. Actuarial scheme valuations are dependent on assumptions about the value of future costs, design of benefits and many other factors. The latest actuarial valuation of the TPS was carried out as at 31 March 2016. The valuation report was published by the Department for Education on 5 March 2019. The key elements of the valuation and subsequent consultation are:

- employer contribution rates set at 23.68% of pensionable pay (including a 0.08% administration levy)
- total scheme liabilities (pensions currently in payment and the estimated cost of future benefits) for service to the effective date of £218,100 million and notional assets (estimated future contributions together with the notional investments held at the valuation date) of £196,100 million, giving a notional past service deficit of £22,000 million
- the SCAPE rate, set by HMT, is used to determine the notional investment return. The current SCAPE rate is 2.4% above the rate of CPI, assumed real rate of return is 2.4% in excess of prices and 2% in excess of earnings. The rate of real earnings growth is assumed to be 2.2%. The assumed nominal rate of return including earnings growth is 4.45%.

The next valuation result is due to be implemented from 1 April 2023.

The employer's pension costs paid to TPS in the year amounted to £586,925 (2021 - £583,840).

A copy of the valuation report and supporting documentation is on the Teachers' Pensions website (<https://www.teacherspensions.co.uk/news/employers/2019/04/teachers-pensions-valuation-report.aspx>).

Under the definitions set out in FRS 102, the TPS is an unfunded multi-employer pension scheme. The academy has accounted for its contributions to the scheme as if it were a defined contribution scheme. The academy has set out above the information available on the scheme.

**Local Government Pension Scheme**

The LGPS is a funded defined benefit pension scheme, with the assets held in separate trustee-administered funds. The total contribution made for the year ended 31 August 2022 was £394,000 (2021 - £374,000), of which employer's contributions totalled £328,000 (2021 - £312,000) and employees' contributions totalled £ 66,000 (2021 - £62,000). The agreed contribution rates for future years are 21.6 per cent for employers and between 5.5 per cent and 6.8 per cent for employees.

As described in note the LGPS obligation relates to the employees of the academy, who were the employees transferred as part of the conversion from the maintained school and new employees who were eligible to, and did, join the Scheme in the year. The obligation in respect of employees who transferred on conversion represents their cumulative service at both the predecessor school and the academy at the balance sheet date.

Parliament has agreed, at the request of the Secretary of State for Education, to a guarantee that, in the event of academy closure, outstanding Local Government Pension Scheme liabilities would be met by the Department for Education. The guarantee came into force on 18 July 2013.

The trustees have agreed that the trust will make additional contributions in addition to normal funding levels over the next 26 years.
