6 September 2023

Dear Parent(s) and Carer(s)

Parent Workshop - 'Supporting your child through GCSEs'

5.30-6.15 pm Thursday 14th September

As you know, all of us at Hall Green School want to raise the aspirations and achievements of our pupils. We realise the important role that parents play in this, but we also appreciate that it is sometimes difficult for you as parents to know exactly how best to help your child when it comes to study, revision and examinations.

To support you, we are holding a Supporting your child through GCSEs' workshop so that you know of what you can do at home to help your child achieve their best at school and in their GCSEs. We have previously held similar events and parents who attended were overwhelmingly positive about the evening and felt it gave them great insight and practical strategies for how to support their sons and daughters.

Mrs Ziebeck, Mrs Ali and myself will focus on the following topics during the evening:

- Study and Revision Techniques
- Time Management Strategies
- How to 'grow' your brain
- How to help at home
- Coping with exam stress
- Building resilience
- Sitting Exams

To help us make plans for the evening, please complete the reply slip and return it to your child's form tutor by Monday 11th September. If you have any further queries please contact me in school.

Yours faithfully

Mr M Hosfield – Deputy Headteacher
