Re: Extracurricular Clubs/Pupil Leadership/XL Award

Dear Parent/Carer,

I wanted to remind you aware that we are running the 'XL Award for Participation in Extracurricular Activities and for Pupil Leadership'. This scheme encourages pupils to make the most of the many extracurricular clubs that we have on offer and to push themselves out of their comfort zone by trying something new, mixing with new pupils and by offering to volunteer with pupil leadership. This can either be in a specific role such as a Whole School Ambassador, being selected as a Subject Ambassador or a House Captain for example, or through presenting publicly in lessons, helping out in school or setting a good example to the rest of the school community. I believe that the skills learnt, and confidence gained by young people through their involvement in these sorts of activities is absolutely crucial for their development, and makes the experience of school more exciting and positive whilst filling up their CVs with lots of hobbies and interests and engagement that they can discuss in interviews for colleges etc.

Pupils who gain XL points, will receive badges and certificates, praises and House points. Please do keep a check on the XL points your child is receiving through ClassCharts and encourage and support them to attend clubs and to volunteer. The first set of certificates will be awarded at the end of this half term, so please encourage your child to join a club straight away.

Please click on this link <https://www.hallgreen.bham.sch.uk/wp-content/uploads/2024/01/Spring-Term-Whole-School-xcurr-2024.pdf> for a copy of the extracurricular clubs that your child may attend during the Spring Term (you can also click on the front page of the website for a copy). All clubs are absolutely free, and we offer a wide range of activities before school, at lunchtime and after school.

If your child has not previously attended clubs, this does not matter- it is never too late to start, and they will be made very welcome. If your child used to attend clubs but has now dropped out; please encourage them to start again. If your child already attends clubs, this is brilliant, hopefully they will continue and they will have the opportunity to represent the school and they will be gaining points towards their XL Award, perhaps they would like to join another club too?

The link between strong academic achievement and extracurricular participation has been traced over many years, not to mention the social and mental benefits to your child along with the opportunity for them to develop their leadership skills which are transferrable to all subject and future work areas.

I hope to see your child getting involved,

Yours Faithfully,

S. Paxton-Gault

Mrs Paxton-Gault
