

## Hall Green School An Academy

8 January 2026

Dear Parents and Carers,

I wanted to provide an update based on the weather forecast for this evening. We are planning to open the school tomorrow; however, we will continue to monitor the weather and conditions closely. If there is no significant snow today, it is unlikely that this decision will change. We will review again early tomorrow morning and will aim to send communications by 7:30am at the very latest. Please assume for the time being that school is open and that all pupils must attend. Communications will be via email, text, and our website.

Due to the forecast for this evening, we will not be running any detentions, clubs, or period 6 lessons today.

Please note that adaptations to our dress code remain in place; pupils may continue to wear suitable footwear for the conditions until further notice.

Thank you for your understanding and support as we prioritise the safety and wellbeing of our school community.

Yours faithfully

Miss K Slater  
Headteacher
