

Year 11 Revision Timetable and Leaving Arrangements 2026 Pupil and Parent Information

In order to support your learning, we have arranged for staff to run revision sessions on the day of, or in the days shortly before each of your exams. You must attend all revision sessions set out in the timetable over the next few pages. For some of the sessions you may not be in your normal teaching group or room, therefore you should check the groupings in the timetable or ask your subject teacher if unsure.

Before 22nd May, pupils will be in their normal timetabled lessons unless they have a revision session or an exam. English Literature, Computer Science, OCR IT, Religious Studies, Business Studies, Health and Social Care, Sport Studies and Sport Science exams will be completed earlier than other subjects, therefore following these exams you will need to bring revision material for other subjects to these lessons.

We will hold a Leaver's Celebration event in school on Friday 22nd May to mark the end of your time here at Hall Green School.

From Monday 1st June, all pupils will follow a reduced timetable of revision sessions and exams as set out on the following pages. From this date, you will only come into school for revision sessions and your examinations. **You must attend all revision sessions and examinations in full school uniform.**

Remember the other exam requirements:

- You are responsible for bringing the correct essential equipment required for each exam (black pens, pencil, rubber, ruler + any specialist equipment like calculators, maths equipment etc).
- No portable storage devices e.g. mobile phones, Airpods, Music devices, wrist watches etc.
- Clear pencil cases only and no labels on bottles.

If you have an afternoon exam, you will go to lunch as normal, however please be sure that you are lined up alongside the Maths corridor by Rooms 8 & 9 or sideroom by 1.45 pm, ready to enter the exam room. Make sure you have checked your exam timetable for your seat number before you line up. If you have any queries about the examination arrangements, please see any senior staff member or your class/form teachers.

Remember:

- **For all morning exams you must be in the Canteen by 8:30 am at the latest**
- **For all afternoon exams you must be lined up in the corridor by Rooms 8 & 9 by 1:45 pm at the latest**

Finally, please be reminded if you experience difficulties during the examination period (e.g. illness, injury, or personal problems) please inform Ms Chan at the earliest possible time so we can help and advise you. A parent/carer must contact the Attendance Office at school by telephone on 0121 325 6904 and specifically ask that the message is also given to Ms Chan - Examinations Manager.
