

Hall Green School An Academy

Dear Parents and Carers,

September 2026

We are pleased to invite you to a Science & Maths Workshop designed specifically for parents of Year 11 students. This event will take place on:

Wednesday 23 September

4:00pm-5:00pm

School Library

The purpose of this workshop is to provide practical advice and strategies to help you support your child at home in achieving success in Maths and Science. Members of our Maths and Science departments will be available to offer guidance, answer questions, and share useful resources.

Importantly, this session will include valuable information about the upcoming mock exams, which begin the week commencing 19 October. With this key event approaching now is an ideal time to ensure your child is prepared and well supported.

This will also be a valuable opportunity to network with other parents, share experiences, and ask any questions you may have about supporting your child through their GCSE journey.

As places are limited, please reserve your place using this link:

Or alternatively reply to zziebeck@hallgreenschool.co.uk to confirm your attendance.

We look forward to welcoming you and supporting you through this important phase.

Kind regards,

Mrs Ziebeck

Senior Associate Leader
